What does the Kimberley seal mean to you? It may imply a somewhat different ideal to each person who sees it. As a whole, it may represent what those who know and work for Kimberley give to the school life and what they receive in return. To those not directly connected with our school, it may be a shining symbol of youth and hope. There is also a special significance to each part of the seal. We have tried to show our conception of the seal and its meaning in this, our yearbook.

"Life is no brief candle to me. It is a sort of splendid torch which I have got hold of for the moment, and I want to make it burn as brightly as possible before handing it on to future generations."
—George Bernard Shaw

FOREWORD

MME. A. D'AURIA

We, the class of nineteen fifty-four dedicate this, our year-book, to you, Madame D'Auria, in appreciation of your understanding of us, as both a teacher and a friend. Your wonderful sense of humor, always sparkling, in and out of class, has been a source of great joy to us, and we shall always remember how you helped and encouraged us by giving unselfishly of your time when we needed you.

Through this dedication we wish to express our deep devotion to you and our gratitude for all you have meant to us.

" 'Tis her privilege, through all the years of this our life, to lead from joy to joy, for she can so inform the mind that is within us."

—Wordsworth

SCHOOL HISTORY

Here we are with our pink and blue walls, contrasting green blackboards, baseball diamond, tennis courts, bowling alleys, and swimming pool. We have become so accustomed to our many advantages that we have all begun to take them for granted. But how many of us know how these things came about?

In 1906, Mary Kimberley Waring, a teacher from Montclair High School, started a school of her own. Her middle name accounts for the present name of the Kimberley School (You see, it wasn't the diamond mines in South Africa!). Miss Waring took one of her Smith classmates, Miss Jordan, into partnership, and they bought the property at 33 Plymouth Street and erected a new building. In 1910, the first girls with bright, eager faces graduated from Alma Mater. Just think, out of five members of the senior class (don't let these figures

throw you!), there were a president, vice-president, secretary, treasurer, and one—!

Well, the years rolled by, and as more fathers went broke sending their daughters to Kimberley, the senior classes expanded enough to have a few followers instead of nothing but leaders. By 1940, Miss Helen Burt Mason and Miss Margaret Muir Gallie had become principal and assistant principal respectively. Both these ladies had a number of degrees, and Miss Gallie had studied at Oxford (Jolly good town, eh, Ole Chap?). Kimberley was now so large and lively that a board of trustees was appointed to guide the affairs of the school.

A big step was taken in May, 1949. The school was moved to the Montclair Athletic Club, much to the elation of our Kimberleyites and the dismay of the athletes of Montclair. The whole building

was remodeled, with a new dining room, art studio, and spacious classrooms that are always just the right temperature. (The bar was removed, and along with it went smoking privileges.) With the move, Miss Eleanor Henney, our beloved history teacher (Will we ever forget those stories in history class!) was elevated to the position of assistant principal. The next year, Miss Ethel M. Spurr came to us with an impressive record of B.A. from Radcliff (summa cum laude, just as a passing thought), M.A. from Columbia, and graduate work at Harvard and the University of Minnesota. Those are some of her past accomplishments, but what of her recent ones? Well, by her foresightedness and energy, she has put K.S. on its toes and made it more alive than ever. We may well be proud of Alma Mater, all the way from the lazy, warm sun streaming in the windows of room 217 to the brisk typewriter on the desk in the front office.

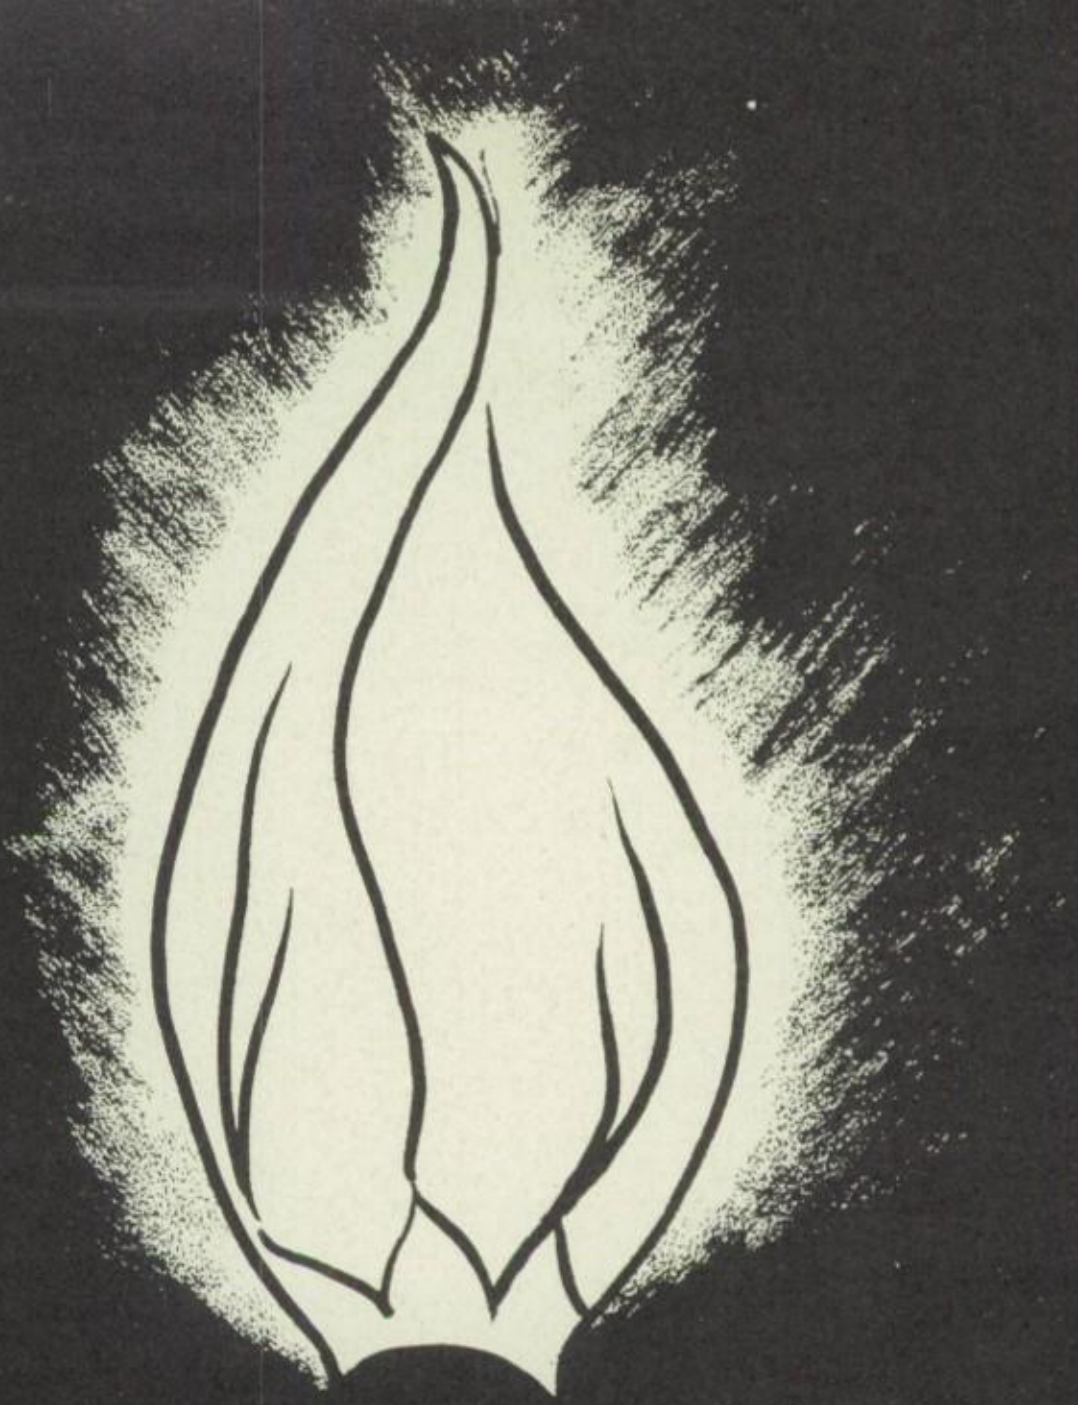

Competing on the hockey field.

Working in the lab.

Like the flame of a torch in the senior year, a
bright culmination, a light for the rest of the school
to follow.

SENIORS

First row, left to right: Roberts, Aeschlimann, Towner, Krebs, Glass. Second row: Doherty, Dudiak, Onderdonk (presi-

dent), Bleecker, Evans, Gullord. Third row: Shannon, Middleton, Fisk, Bunce, Hinck, Carrington, VanVleck.

OFFICERS

Seated, left to right: Miller, Bleecker. Standing: Zabriskie, Onderdonk.

SENIOR

As Seniors we arrived this year
With smiles and hopes, and a bit of fear
Of Senior Year.

Two more girls joined in the fun—
The class then totalled forty-one—
We still had a fear of Senior Year.
Fall Frolic with usual musical scores
Brought competition from the sophomores,
Other skits, games, and good times galore.
Baby Day led some to believe
That we were full of "Joie de Vivre".
It is not hard to conceive.
Source themes were our next attraction.
A tiring and most unusual action was

First row, left to right: Kaveny, Taylor, Beatty, Callahan, Miller, Hobart. Second row: McLean, Warnick, Olmstead,

Ramhurst, Dennison, Bonnell. Third row: Cook, Cole, Zabriskie, Wendt, Fergusson, Mann, Hayward, Wood.

CLASS

That some stayed up 'til Dawn.
 Thanksgiving and Christmas vacations came
 And went so fast, it hardly tamed
 Us down for examinations.
 We lived, and in due time great hoards
 Of us went to take the College Boards.
 They brought us new, nervous sensations.
 Then came the prom, and soon May Day,
 And graduation, then on our way
 To face the world with a new fear.
 We have spent some time at Kimberley—
 And all of us heartily agree
 That it was our best year, Senior Year.

—Tookie Onderdonk—

As we were a few years ago.

CLASS

**1941-
1942**

In the fall of this year, Lynn Towner, Margie Shannon, and Kit McLean entered the gates of Kimberley School at 33 Plymouth Street. Apparently we were not very angelic that year, since we recall being sent out of class consistently for our mischievous doings (mere shadows of thing to come)!

**1942-
1943**

The first grade was an exciting year. Four more girls, Mimi Evans and Anne VanVleck are the only ones still with us, entered our class, now beginning to grow. An outstanding event was May Day, in which Mimi, Lynn, Anne, and Kit took part as train-bearers and flower girls.

**1943-
1944**

Our second grade teacher, Mrs. Curtiss, had a trying time with us, in spite of the fact that there were no new girls (Seven of us were bad enough). We developed an interest in painting and learned to sing that rousing song "Ten Little Indians" all by ourselves.

**1944-
1945**

We remember Halloween of this year, for with our newest member, Anita Bleecker, we made a tour of the school to show off our costumes. Then one day in June, we graduated from primary school!

**1945-
1946**

Mlle. Pons attempted to drum some French into us this year, and our pleasure at being "big girls" in the Lower School was increased by the fact that Dorie Krebs and Rosie Glass joined us.

**1946-
1947**

Outside of the fact that we were now, with the addition of Patty Dennison part-way through the year, eleven in number, our minds are rather blank about this year.

**1947-
1948**

This was the age at which we took to rushing to the Girls' Room every recess to put on lipstick and stand and admire our grown-up selves in the mirror!

**1948-
1949**

Tookie Onderdonk, Nell Fisk, Leslie Bunce, Janet Cook, and Ann Aeschlimann joined our forces, and none of us will ever forget our home-room teacher, Miss Flannery, who instructed us in mathematics and manners while we passed through a movie star and trading card craze.

HISTORY

1949-1950 We entered the Upper School! This was an outstanding year, for we became an even larger class with the addition of Mary Lee Bonnell, Anne Warnick, Vicki Wendt, and Fluffy Fergusson. We were all intrigued with Fluffy's cute English accent. This was also the year in which Kimberley made the great move to 201 Valley Road.

1950-1951 This was a time of parties and dances—and hard work. We had a class dance which everyone thought was great fun. Our class was still growing, and Amy Roberts, Phyllis Dudiak, and Robin Doherty joined us.

1951-1952 The work seemed really to pile up in our sophomore year, but once in a while we wiggled out to have some hen parties with our now huge class, the largest K.S. had even seen. The sixteen girls who descended upon us this year were Aubin Zabriskie, Lee Wood, CY Mann, Tilly-Jo Beatty, Dawn Ramhurst, June Hayward, Marian Miller, Pat Taylor, Pixie Cole, Sylvia Middleton, Bobbie Hobart, Penny Gullord, Georgia Carrington (who, by the way, skipped ninth grade), Karen Hinck, Maree Callahan, and Mari Case. There was great excitement when we won at Fall Frolics with "Ali Baba and the Forty Thieves" (Will we ever forget that extra something Casey gave our skit?).

1952-1953 Our junior year, and what a year! It started off with a bang when Jackie Kaveny, Jean Olmstead, and Gael Seton joined us and we won Fall Frolics again with a performance centering around a Gershwin theme. This was the year we groaned our way through our first source themes and S.A.T.s. We received class rings with deep emotions and spent half the year working on Class Day. We began to drive, too, and there were frayed nerves among parents and passengers!

1953-1954 Our senior year and our best one has now come and gone. Barbara Groo entered with tales of old Nassau, and we were forty-one strong. There were a rash of college scarves and a burst of weekend activity during the winter. But most of all, this year centered around COLLEGE! College, S.A.T.s, and College Boards were our main topics of conversation. We'll never forget those fierce intellectual discussions during lunch hour or that precious cigarette at Bond's, either. Then, most wonderful of all, were Graduation, the Prom, and those marvelous parties which ended our years at K.S.

- I, Nell Fisk, leave my ability to eat and not gain weight to Diana Whittaker.
- I, Rosie Glass, leave my great coordination in sports to Cecily Wilson.
- I, Penny Gullord, leave three sure-fire ideas for stimulating lunch-hour discussions to anyone who wants them.
- I, June Hayward, leave a new set of make-up tests to Madame D'Auria.

WILL

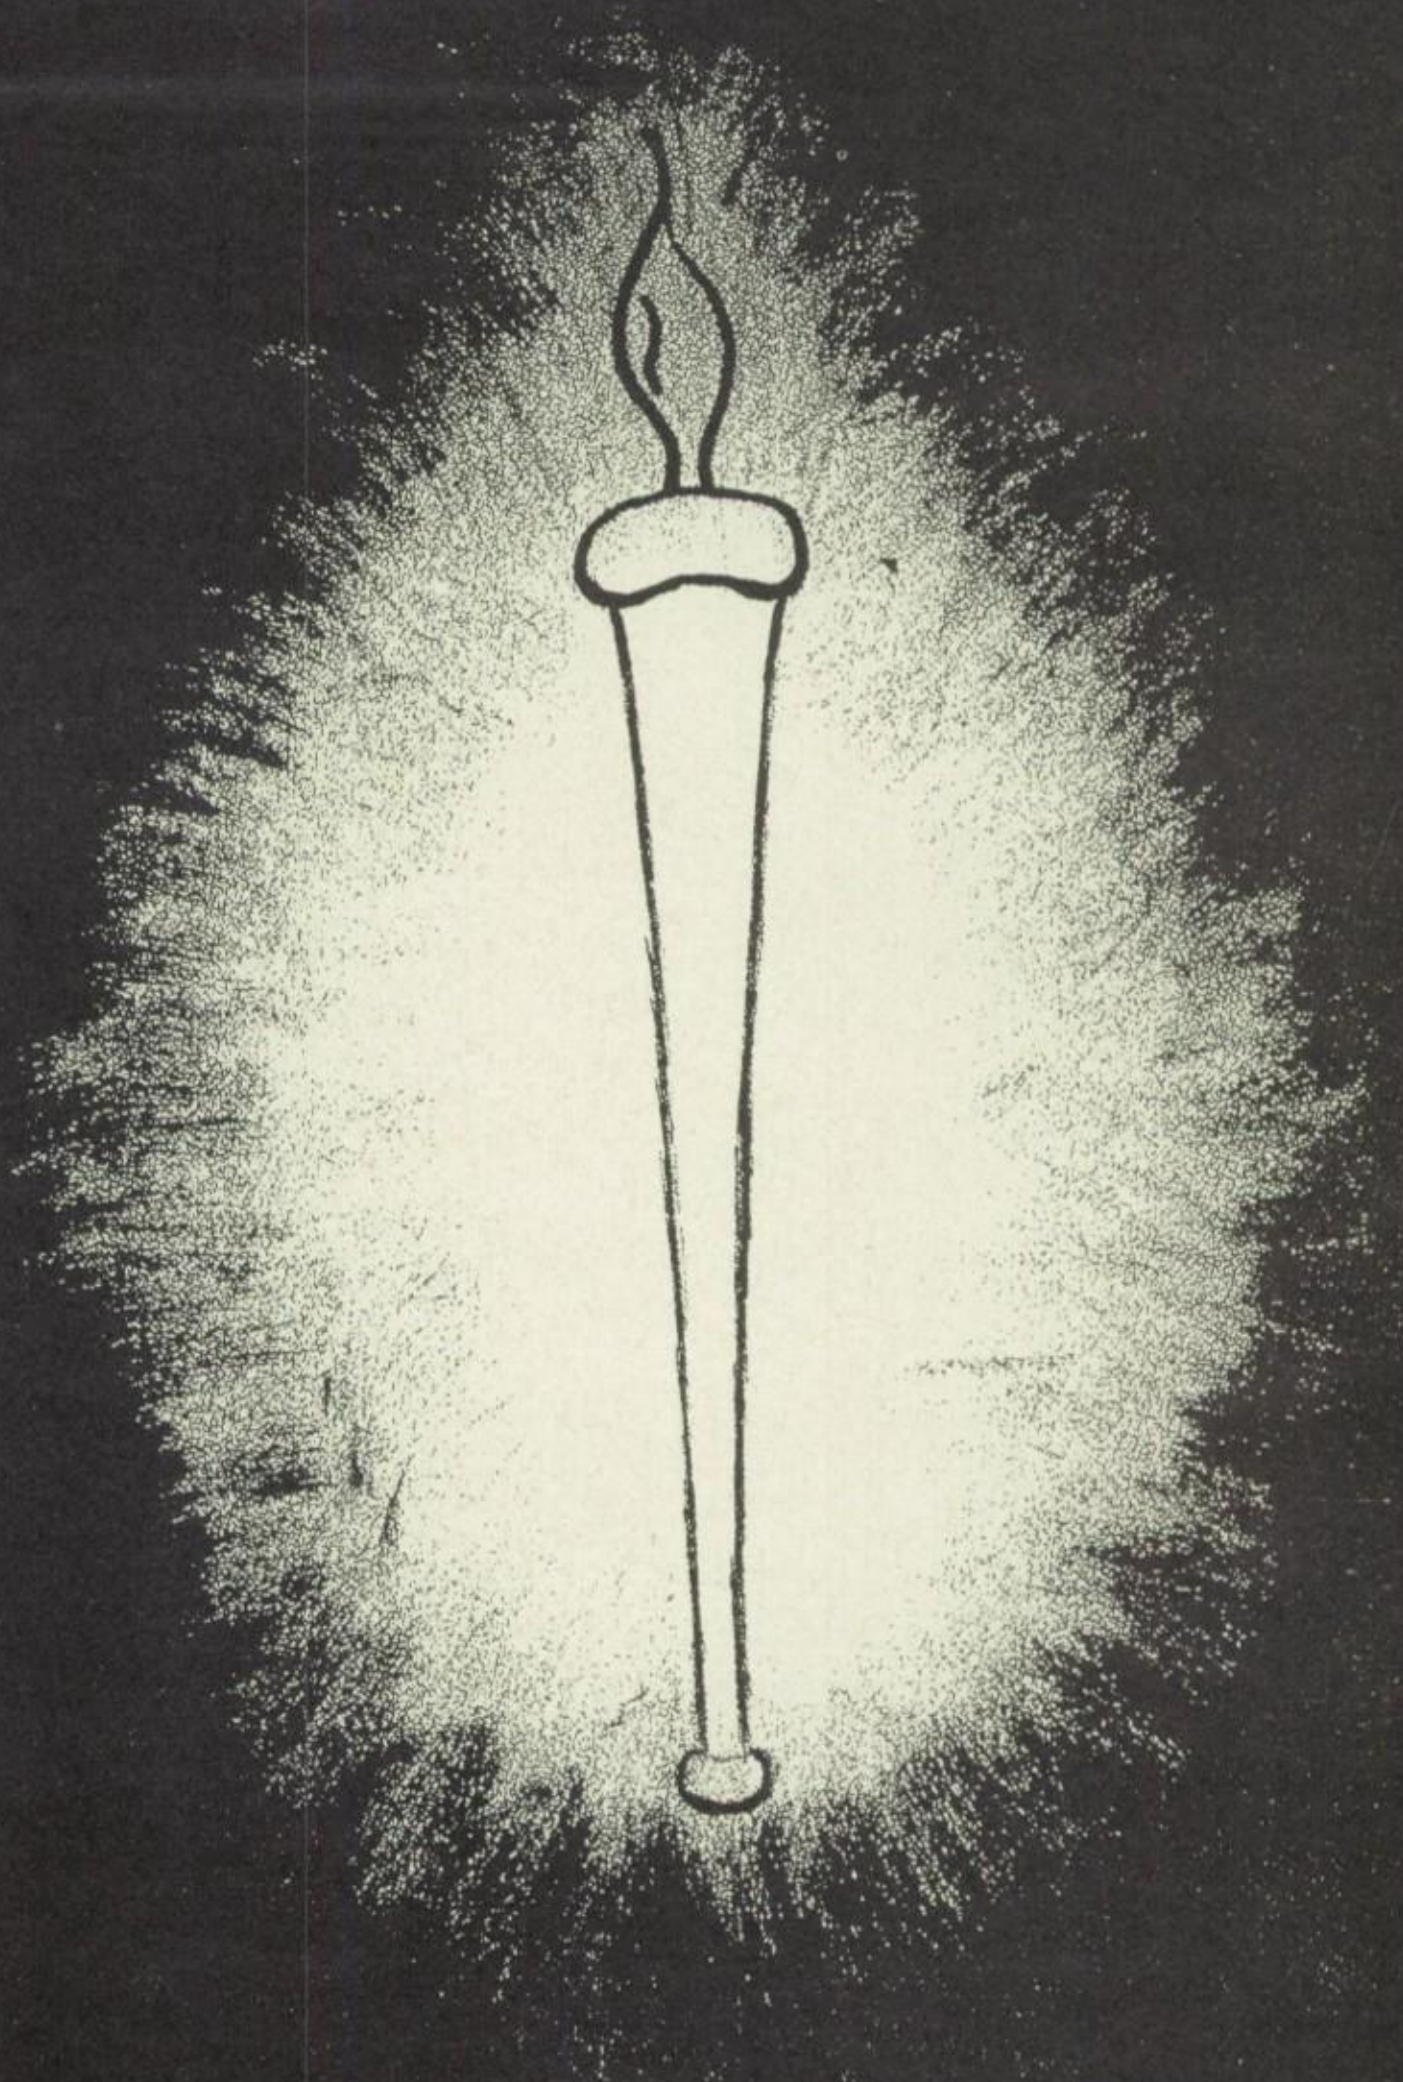

- I, Karen Hinck, leave the Yankees to Miss Hoyt.
- I, Bobbie Hobart, leave my dissecting instruments to Beth Hyde.
- I, Jacky Kaveny, leave my love of college men to the entire junior class.
- I, Dorie Krebs, leave my shyness with boys to Mary Russell.
- I, Cy Mann, leave my record of no absences at K.S. to Susan Oley.
- I, Kit McLean, leave the mess on my desk to Charles.
- I, Sylvia Middleton, leave my interest in those Spanish señors to Prissy Cole.
- I, Marian Miller, leave my ability to make fabulous faux pas to Susie Forstmann.
- I, Jean Olmstead, leave straight hair after swimming to the Water Ballet.
- I, Tookie Onderdonk, leave part of the hair my class is always trying to make me cut to Jackie Byrne.
- I, Dawn Ramhurst, leave my ability to stay up all night to Miss Stone.
- I, Amy Roberts, leave my many excuses for gym to Terry Ash.
- I, Gael Seton, leave my megaphone to the Cheerleading Squad.
- I, Margie Shannon, leave my look of innocence to Marilyn Walrath.
- I, Pat Taylor, leave my repertoire of five songs to Carol Hanschka.
- I, Lynn Towner, leave my throaty growl to Nancy Joyce.
- I, Anna Warnick, leave ten beat up copies of the Reader's Digest to Mrs. Dawson.
- I, Vicki Wendt, leave my beautiful singing voice to Leigh Eberstadt.
- I, Lee Wood, leave anything I forgot to the Lost and Found.
- We, the members of the Literary Staff, leave filled ash-trays and empty Coke bottles to next year's staff.

JUNIOR

This year's junior class, small as it may seem, has been doing big things. Mary Russell has been a welcome addition to our class, and Susie Forstman has returned to us after two years at boarding school. We juniors have made a good showing in sports, highlighted by outstanding performances in the National Horse Show by Diny Brown and Roberta Smith, who won the "Medal", and by the placement of Carol Turtle on the Northern New Jersey First Hockey Team.

On observing our class during any typical day, one would see Beth attempting to learn her K.A. part and drawing posters at the same time; Midge and Barbie practicing for the Water Ballet; Lynn,

SOPHOMORE

With the addition of thirteen new members, the Sophomore class entered the Senior High this year, thirty-five strong. At first we were apprehensive but now we are a well integrated part of the Senior High and have settled down to hard work and fun.

Our first project for the year was organizing a skit for the Fall Frolic. We were determined to break the Seniors' winning streak and we came very close when we tied with them for first place (Wait 'til next year!). (Ed. Note: The Seniors won't be there next year!) A few weeks later we presented our skit at the Father-Daughter Dinner. Our class was in charge of the arrangements for the affair and we were very ably assisted by Mrs. Kalijarvi, our class advisor.

RE CLASS

Our class is very proud of its athletes, who have represented us well on the hockey and basketball varsities. We may be remembered for our actresses too, who have taken part in the K.A. productions. We are also especially proud of Tanya Wood, who rode in the National Horse Show, and of Connie Sommer, who won a skating championship.

If we are not found at sports, K.A. rehearsals, or in National Championship events, one can usually find the Sophomores engaged in something worthwhile such as bell ringing, interviewing for the Kourier, attending Student Council Meetings, having class meetings, making unusual noises at roll call, or sometimes even studying!

OFFICERS

Twenty-six laughing and giggling girls, we made our way into the Junior High study hall, which was to be our new home room. All the girls of last year were there, plus some newcomers, Linda Lee Baldanzi, Judy Case, Joan Keller, Gail Murphy, Joan Wallace, Gail Maurice, Vondamae Nary, and identical twins, Dottie and Dona Case.

Before we knew it Fall Frolics was upon us. With much work on the part of the class and aid from our advisor, Miss Renz, we were finally ready to face the audience with the skit entitled "Winter-time." It had a unique mirror act using our twins. Blankets of snow covered the stage as an unusual horse drew a bright red sleigh to the tune of "Winter Wonderland." We won honorable mention this year, and look forward to even better things in the future Frolics.

At the Kimberley Karnival, our class took complete care of the game concession which made a helpful addition to the funds raised by the fair.

As we leave the Junior High, we shall never forget our freshman year. We will try to set new and higher standards when we enter our last three years at K.S.

8TH GRADE

The eighth grade started off this September with the addition of two girls, Nancy Adams and Ellen Buyer. Then in late November, Roberta Broads came to us from Hillside.

Our first social event was a party to welcome the seventh grade to the Junior High School. It was a great success and we all became better acquainted.

We all worked hard on our skit for "Fall Frolics". Miss Bosshard, our class advisor, and Mrs. Dallery gave us assistance. Our skit was called "The Seven Ages of Kimberley Girls," and it gave old-timers many laughs.

Although all of our girls were present at the Father-Daughter Dinner, we were sorry that some of the fathers could not be with us.

Just before Christmas, the eighth grade got up sufficient courage to invite the eighth grade boys at the Academy to a party. Fortunately, it went off well, and we had a wonderful time.

Despite the ordeal of midyears and finals, we succeeded in surviving the year, and having a lot of fun doing it. Now we are looking forward with pleasure to being the new ninth grade.

7TH GRADE

OFFICERS

Left to right: Lund, Buell, Sweeney, Fischer.

With the addition of five new members, the seventh grade class joined the Upper School this year. We were warmly welcomed by the upper classes, who gave several parties to help us get acquainted with them. The seniors gave us a luncheon in December, which was fun although we were slightly out-numbered—forty-one to eleven.

Early in the year we elected our class officers and, for the first time, a Student Council representative. Fall Frolics was new to us, and we had great hopes of winning, but we discovered that there was a great deal of talent in the other classes. Nevertheless, we had fun and will try even harder next year.

The year has been long and hard, but we really enjoyed taking part in the various new activities. We realized that from now on we would have to spend more time in our studies, also. However, when Danie Hirsh won the Junior High Poetry Contest, we really felt that at last we were established in the Upper School.

SENIOR STUDENT COUNCIL

Council President
Tilly-Jo Beatty

The Student Council of the Kimberley School is composed of representatives from the upper three classes as well as the heads of major organizations. Its function is to deal with problems that may arise and aid in the development of the school. This year the Council has undertaken the job of promoting a more efficient Honor System. The girls have been left more to themselves to abide by the rules of the school. One evidence of the new system is the removal of proctors in the study halls. Also the Council has constructed a completely new constitution which has been presented and approved by the student body.

Besides governmental procedures, the Student Council has sponsored many school activities such as the New Girls' Tea, the Fall Frolics, the Father-Daughter Dinner, and the Spring Prom.

We wish to extend our thanks and appreciation to the student body, faculty, and Miss Spurr for all their cooperation and aid throughout the year.

Tilly-Jo Beatty
Lynn Towner

JUNIOR STUDENT COUNCIL

In its second year, the Junior Student Council has been very successful in analyzing and solving the problems of the Junior High. Its members are the president, vice-president and the student council representatives of the class, who are elected for one year.

We have tried to instill a sense of responsibility and co-operation within the girls of the Junior High and thus enable them to become more useful members of the school.

The Junior Student Council wishes to express its gratitude to the individual classes for their aid and support in solving the problems of the Junior High.

KOURIER

This year the "Kimberley Kourier", the school newspaper, published by the Junior Class, changed its style of printing. This alteration permitted the use of more photographs in the paper at a lower cost. With more pictures, we have tried to create greater interest in the paper and give a more thorough idea of the activities at Kimberley. In addition, we have increased the number of issues to six, distributed throughout the school year.

Our faculty advisor, Mrs. Kalijarvi, should be given special credit for her work with the entire staff.

We would like to take this opportunity to thank our subscribers, advertisers, the complete staff, and everyone who helped in any way with the Kourier this year. Without the cooperation of all these groups, the publication of this paper would not have been possible.

CHEST

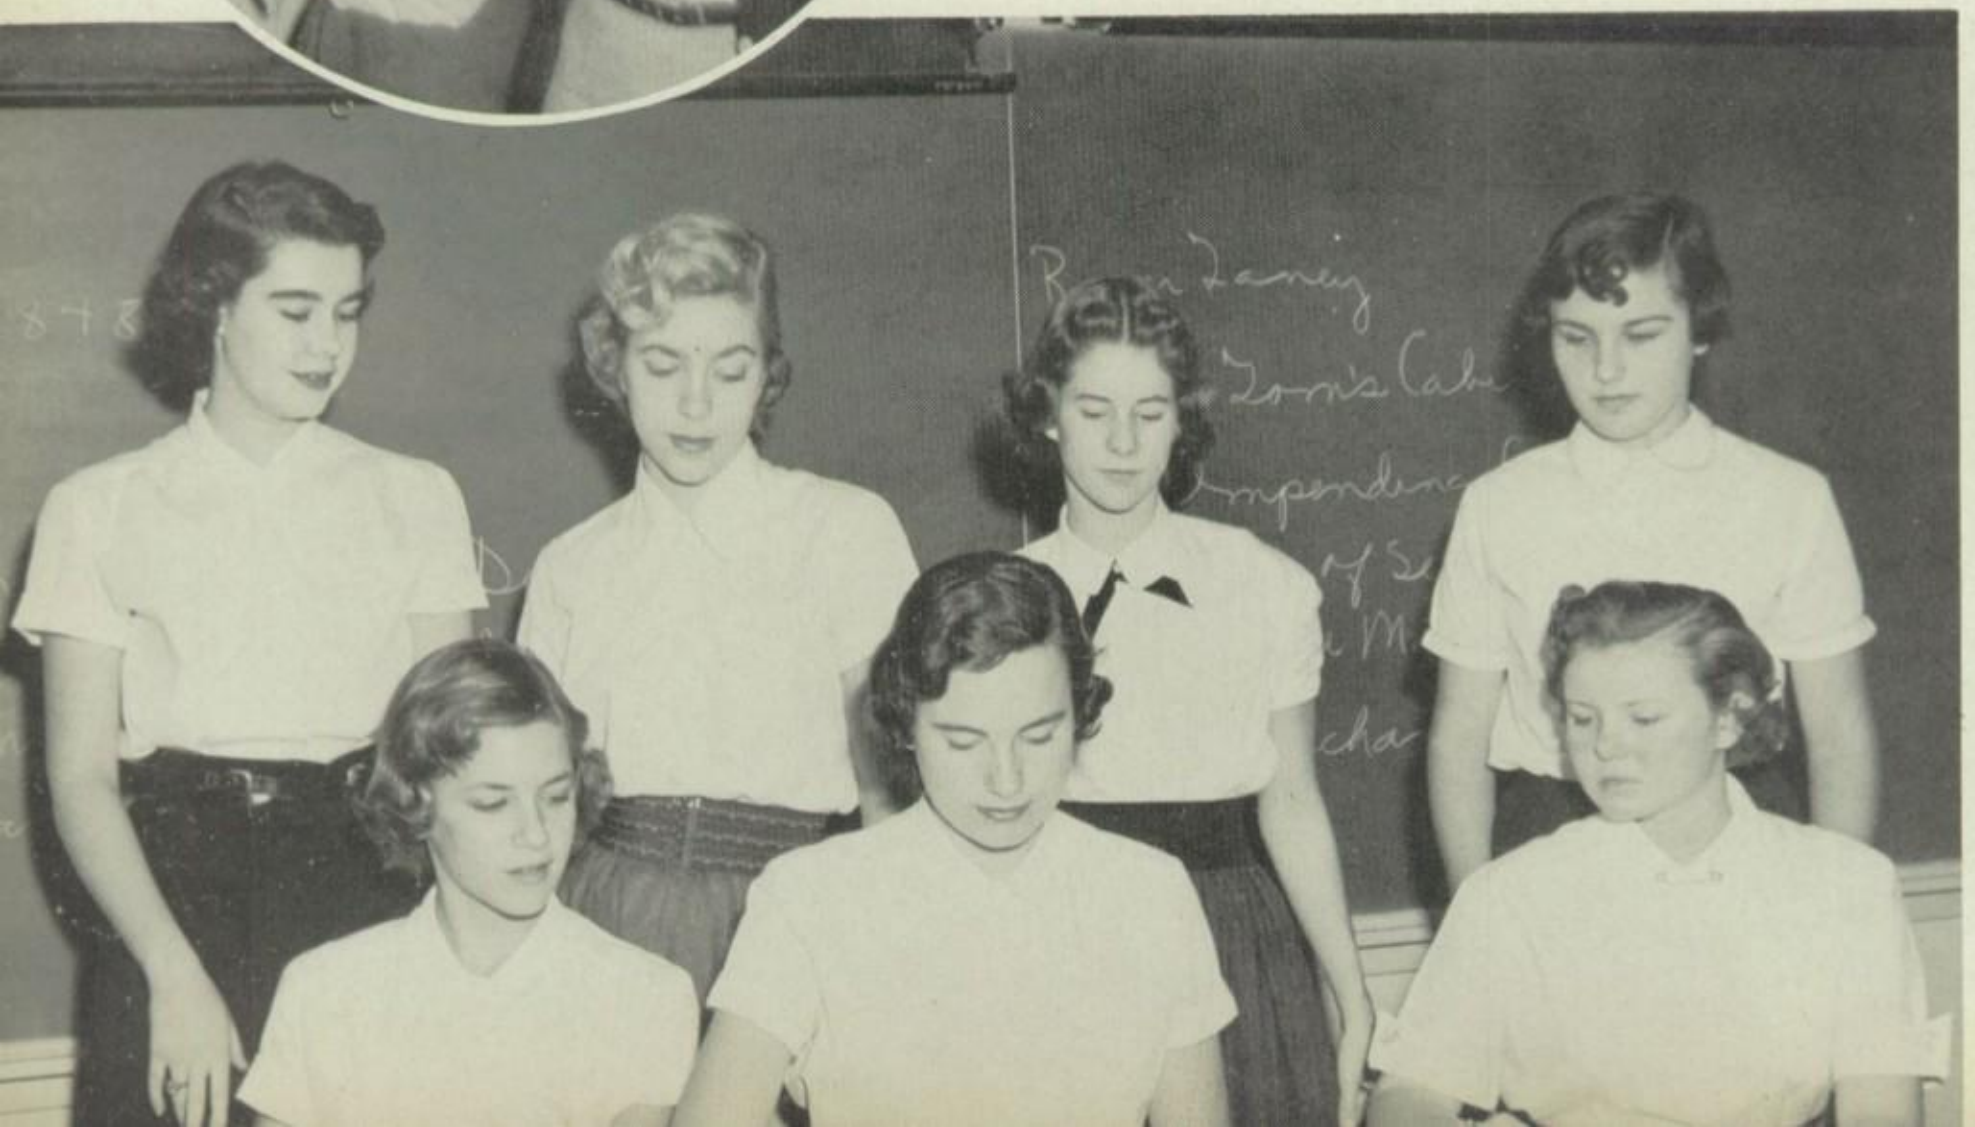

An important function of the Kimberley School is the chest. It is responsible for raising money through the school for the needs of others who are less fortunate than we are. Charitable organizations to which we have donated money in the past are "Care", "Friendship Among Children", "Helen Keller", "Save the Children Federation", "the Montclair Camp Fund" and numerous others.

The response from the school has been excellent and we have earned our six hundred dollars throughout the year, mostly through the Kimberley Karnival.

RED CROSS

In previous years, the Kimberley Red Cross followed the program of filling small Red Cross boxes. Because of the lack of support and interest, however, the Red Cross Committee decided to change the program for this year.

The representatives of the association offered suggestions for a new type of program and we decided that we would ask the school to fill a large educational chest for use abroad. The articles in the chest were similar to those used in the small Red Cross boxes.

Each pupil in grades seven through twelve as well as the faculty participated in the drive by contributing one dollar. The chest has been a success, and we hope in future years it will continue to be. In May there was a Red Cross drive for membership dues. This annual drive ended the Red Cross Program for 1953-1954.

SENIOR

Under Mr. Coursen's capable leadership, the girls of the senior Glee Club have had a very successful and musical year in 1953-1954. The enrollment increased, as did the amount of music that we sang.

During the first semester, the Glee Club, together with the school Chorus and lower grades, sang at the annual Christmas Vespers, held on December 13th at the First Congregational Church. This year, the Senior Glee Club wore dark green choir robes, which, contrasting with the white dresses worn by the remainder of the school, lent a very impressive air to the service. Accompanied by Mr. Coursen on the organ, the Glee Club, Chorus, and Junior High sang quite a few carols, such as the familiar "Holly and the Ivy". Between some of these numbers the Bell Ringers performed, and the small singing group, the "Aragnaks," sang some special arrangements.

GLEE CLUB

This informal singing group was a highlight of the musical year. There were nineteen girls making up the group, which was called the Aragnaks for our school mascot, the kangaroo. They sang at many school functions, such as the Father-Daughter Dinner, Vespers, and the Glee Club Concert.

In March, the Glee Club Concert was held with the Montclair Academy. Each Club sang several songs alone, and the Aragnaks also did several light numbers. Carol Hanschka played two pieces on the piano and, in fact, even an encore! The combined Glee Clubs climaxed the evening with three songs, one of which was the difficult Randall Thompson "Alleluia".

The singing at Commencement concluded the year for the Glee Club. We want to thank Mr. Coursen for his patient leadership and that unfailing sense of humor!

ATHLETIC ASSOCIATION

Under the faithful and enthusiastic guidance of Miss Stone and Miss Brock, the Athletic Association this year has tried to further interest in the athletic program and to create good sportsmanship at all times.

The A.A. has revised its constitution in '54 and has also devised a new locker checking system. Playdays in bowling, basketball, hockey, and swimming have been held at different times during the year, all under the sponsorship of the A.A.

Field Day and the A.A. Banquet are the two primary events which the A.A. promotes. The six upper classes participated in racing, baseball, and tennis at Field Day in order to win points for their teams. The Banquet was held on Class Day and at this barbecue the athletic awards were presented. This was the highlight and the end of our athletic program.

CHEERLEADERS

"T-E-A-M, Yeah, Team" signaled the beginning of practice for the K.S. Cheering Squad, this year well represented by both Lower and Upper Schools, with Lynn Towner and Gael Seton as co-captains. The Cheerleaders at first combined work and play in practising old cheers and getting together new routines. Then they settled down to the more exciting business of attending all Kimberley's outside games to spur on the teams.

The Cheerleaders are already busy thinking about next year's squad. A Cheerleading Charter may be in sight, and the A.A. has consented to contribute some new cheering skirts, which are badly needed.

We wish to take this opportunity to thank the squad for their wonderful job and the student body for their faithful support. A team that knows it has the enthusiastic support of its school, as shown by the pep and spirit of the cheers, will always give that extra push that is needed for victory.

Yes, fall was here, as one could tell by the varying degrees of bruised shins among K.S. girls. Hockey was in full swing again, with everyone energetically wielding their hockey sticks on Tuesday and Thursday afternoon, hoping to be chosen for the J.V. or Varsity squads. When the squads were finally chosen Miss Stone had the job of molding the groups into a team.

Armed with spirit, skill, and brand new shin guards the Varsities descended on Dwight, where, in spite of the tiny hockey field, the Varsity came up with a score of 1-0 and the J.V. tied 1-1. November rolled around bringing a bit of winter with it—snow cancelled our game with Vail-Deane. The

snow didn't last long, but the mud did, so we slipped and slid our way through a game with Kent Place. Evidently they slid with more skill than we did, for they won both games, Varsity 2-0 and J.V. 1-0.

Late in October, Kimberley was the proud hostess of the New Jersey Field Hockey Association Tryouts. Under a soft and balmy sky, ten private schools in this area tested their skill to make the honorary or reserve team. We are very proud to boast that Tilly-Jo Beatty made the reserve team and Carol Turtle and Aubin Zabriskie made the honorary team. The two picked teams played and the the reserve team found victory with a score of 1-0!

As well as the Varsities, other members of the school brandished the old hockey stick, both in class and team games, with Lees winning the big Kimber-Lee game. As winter closed in, the hockey sticks were regretfully stowed away for next year's season.

at Princeton, was a triumph for both of our Varsities. The Dwight game, following soon after, was won by the Varsity but the J.V. unfortunately had its first and only setback. The next two games, with Kent Place and Hartridge, were victories for both of the K.S. teams. Ably leading the Varsity were Carol Turtle and Dawn Ramhurst as co-captains, while Julie Hedges captained the J.V. Kimberley could really be proud of its basketball team and captains this year. Good sportsmanship prevailed in all the games, and the help and encouragement of Miss Stone, the coach, were an inspiration to the team.

SWIMMING

Swimming, under the new leadership of Miss Brock, was, as always, a favorite sport this year. Classes were held three times a week, and the girls who participated were taught the fundamentals of swimming, life-saving, and diving.

The big Kimber-Lee meet was held in March with the Lees as victors. The inter-class swimming meet ended in a victory for the juniors.

Many improvements have been made in the Water Ballet this year. One innovation was the introduction of our theme, "Panorama in Color". The show was much larger and more spectacular one, consisting of nine routines with twenty-one girls chosen from the four upper classes participating. The program featured a solo, a duet, a trio, a quartet, three sextets, and two octets. The spirit and enthusiasm of the group as well as the long hours spent by Miss Brock and her "technicians" were contributing factors to the huge success of the show.

VOLLEYBALL

Following the hockey season and preceding the long-awaited Christmas vacation, volleyball became the chief sport at Kimberley. Techniques were taught in classes and throughout the weeks there were the inter-class and Kimber-Lee competitions. In the Senior High, the juniors and seniors battled to a 40-40 tie in the inter-class contest, and in the Junior High the ninth grade defeated the eighth grade.

As for Kimber-Lee competition, the Junior High had many games during class time, most of which were won by the Kimbers. Their First Team game was won by the Lees and the Second Team game by the Kimbers. In the Senior High, there were first and second teams for the big Kimber-Lee games and the Lees overwhelmed the Kimbers in both.

Working for their supper.

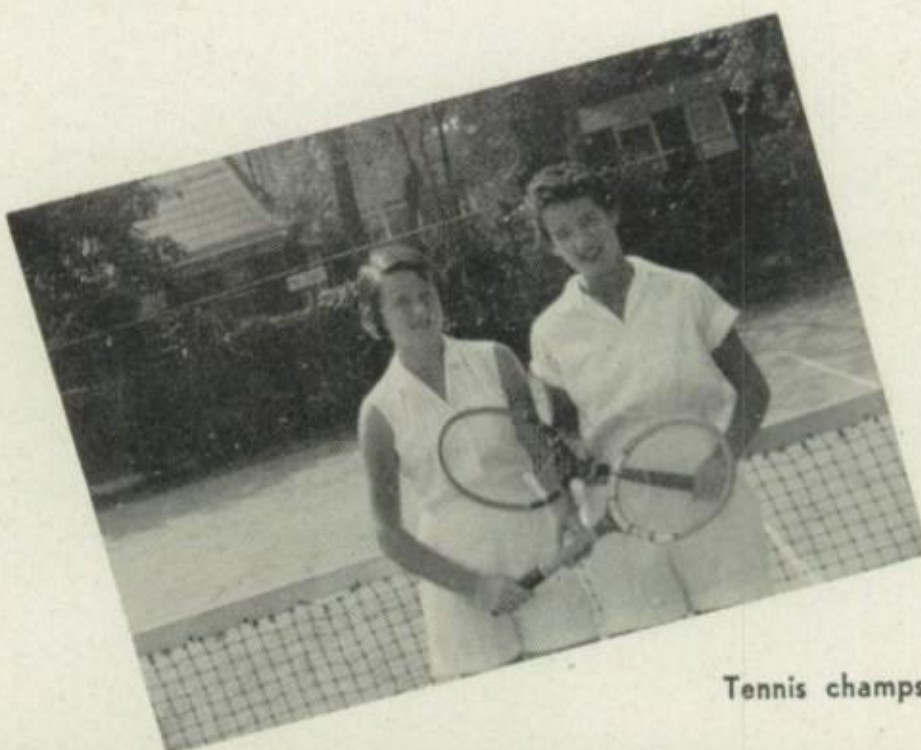

SPRING

Although Kimberley's outside basketball games were not over yet, the spring sports began in February with badminton in the gym classes. Kimber and Lee tournaments were played, after which the two winners competed for the school title.

With the arrival of spring weather the tennis season began, the girls moving from the squash courts into the open air as the weather changed. For the first time, only tennis was taught in gym classes, although softball was offered after school. Outside games were played in both tennis and softball, and there were the usual Kimber and Lee and inter-class games. As the finale to the racing, jumping, and baseball throwing on Field Day, the big Kimber-Lee softball game provided a really exciting climax.

SPORTS

1953, there were many new developments in sports. In outside games, Kimberley won sweeping victories in tennis over Vail-Deane and Dwight, and might have done the same with Kent Place, had rain not ruined the day. At the end of the year, although the Kimbers won Field Day, the Lees came out ahead to win the plaque at the A.A. Banquet. Also at the Banquet, the Harold Cook Tennis Trophy was given to Georgia Carrington, who won the school tennis tournament by defeating Janet Cook in a thrilling match.

Although Kimberley has been hostess to the Eastern Interscholastic Tennis Tournament for two years, it was not until this past September that any girls from the home school came out on top. This happened when Janet Cook and Georgia Carrington, our star players, won the doubles championship.

BOWLING

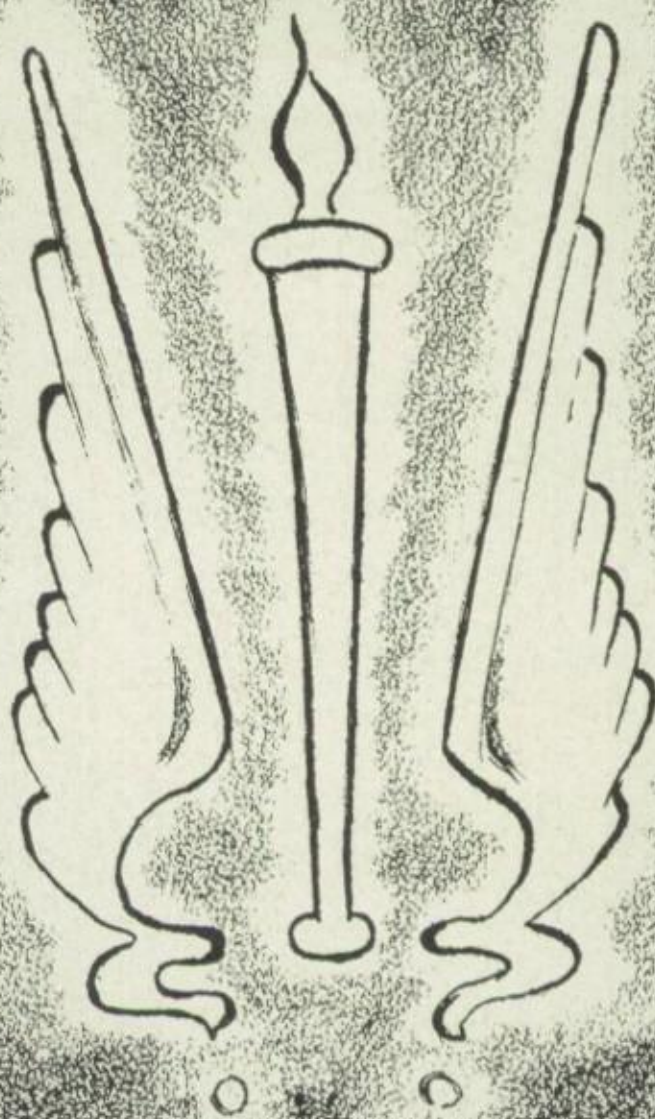

The sound of falling ten pins heard at several periods throughout the year informed Miss Chandler that a class was bowling. Although Miss Chandler was bothered all year by the ominous rumbling and high-pitched shrieks issuing from the alleys, most of this activity immediately followed spring

vacation. The Kimber-Lee meets were held during this time, with the girls bouncing (!) the balls for successful strikes, spares, and bruised toes. Earlier in the year, the mighty seniors defeated the sophomores and juniors in a very close match, to win the Senior High competition.

Like the light cast by our symbol are the special events which, produced by the teamwork of the school, illuminate and perfect our years at Kimberley.

SPECIAL EVENTS

FALL FROLIC

Fall Frolics has been an annual Kimberley tradition for many years. It is a very special event in our school calendar, because it provides a night of fun and entertainment for both teachers and students of grades seven through twelve.

This year, the theme chosen was "Holidays". The girls were dressed in appropriate original costumes for the Grand Parade, each hoping to win a prize. After the costume parade, each class presented a skit, followed by the hilarious faculty skit (will you ever forget Madame in bermudas?). The skits having been judged by members of the faculty, the winners were then announced as being the seniors and sophomores, who tied for first place, and the freshmen, who earned honorable mention.

With the serving of cider and cookies, another gay Fall Frolics was concluded.

BABY DAY

One day this winter, forty-one baby-talking, giggling, and yelling seniors with a mischievous look in their eyes arrived at school complete with lollipops, baby carriages, huge hair ribbons and bubblegum. Yes, Baby Day was here again, and the seniors gleefully returned to their childhood for one glorious and hectic day. The rest of the school appeared to be rather thankful when this day had ended. How strange!

VESPERS

On December 13th, grades four through twelve opened the traditional Christmas Vespers with "Adestes Fideles". For the first time, the senior Glee Club wore dark green choir robes. The contrast between the dark green robes and the white dresses worn by the remainder of the school made our Vespers more beautiful than ever. The program, held in the First Congregational Church, consisted of songs by the choruses, Aragnaks, and Glee Clubs, followed by selections from the bell ringers and lyre players. To Mr. Coursen's organ accompaniment, the grades marched out in the end, singing "Angels From the Realms of Glory".

Bell Ringers

First Congregational Church

The annual Father-Daughter Dinner was held this year on the evening of November 10th. After everyone was assembled in the gymnasium, the upper school mothers served the faculty, fathers, and girls a delicious turkey dinner. As mistress of ceremonies Tilly-Jo Beatty introduced the members of the head table and presented Anne De Vausney, who was in charge of the dinner. Following this welcome from the Girls, Mr. Kerby Fisk and Miss Spurr addressed the guests.

Mr. Howard Van Vleck then led group singing of college songs and popular favorites, and Mr. Cour- sen directed the "Aragnaks" in singing two popular numbers and a new arrangement of the Alma Mater. Last of all, the freshman and sophomore classes presented their winning skits from Fall Frolics.

Everyone agreed later that the sophomore class had planned and carried out a very entertaining evening.

FATHER-DAUGHTER DINNER

DANCES

With everyone decked out in their pretties and brightest clothes The Tinsel Ball looked very much like a brilliant Christmas tree. The evening began with a supper party for the seniors and their dates at Rosie Glass' where we divided our time between eating marvelous food and admiring the Glass' lovely home. After piling our hoops (and fur coats?) into various cars we started for the Golf Club where round upon round of dancing and greeting numerous old friends made an exciting pace until two A.M.

Soon our Spring Prom was upon us. With the theme of My Blue Heaven (these Kimberley girls are certainly Romanticists), we swirled through a blue mist with hundreds of stars above us, to the music of Lester Lanin's band. As we kicked off our shoes early Sunday morning, our aching feet reminded us again of a wonderful evening.

KIMBERLEY= ACADEMY PLAY

The K-A, or Kimberley-Academy plays, which are among the school's oldest traditions, were presented this year by the dramatic clubs of the two schools, working together. The first play, given on December 19th, was **Father of the Bride**, with Anne Warnick and Wendy Blair in major roles. After doing a modern piece, the clubs felt they should attempt something a little more classic. Accordingly, on March 6th, they presented **Pride and Prejudice**, with Anne De Vausney and Jean Olmstead playing leading parts. The casts had a wonderful time working on the productions and hope the audience enjoyed their finished works.

Left to right: Brolli, Walwrath, Kramer, Warnick, Blair, Bever, Mockridge, Goodwillie, Grosse.

MAY DAY

Every year, the first week in May brings the traditional Kimberley May Day. We at K.S. are proud of this annual event and spend many days in preparation for it. Early in the spring the gym classes begin rehearsing their part in the performance for the Queen and her court. The seniors, in the quiet and privacy (?) of their class meetings, select the four candidates for May Queen, who are later voted upon by the Upper School.

Aside from the Queen and her court, there are others who lend a great deal of entertainment to the afternoon. The court jesters provide many laughs and ease the tension of confused dancers, while the animated piece of cloth representing a horse temporarily steals the show as he goes up to kiss the Queen, who has been crowned by the Junior Class president.

A pleasant afternoon of singing, dancing, and tumbling is provided by the whole school, climaxed by the traditional winding of the May pole.

THE KIMBERLEY KARNIVAL

An outstanding project of the school this year was the Kimberley Karnival, given to raise money for the Chest. The entire first floor of the building was taken over by the various booths. To mention a few, there were a food sale, an auction, a white elephant table, handmade articles done by the Junior High, a music shop, a faculty table, a book sale and others.

This was the second fair sponsored by the Chest and the results were very good, but we hope to do even better next year. Be thinking of ideas during the summer!

CLASS DAY

June 8th, 1953 dawned a beautiful day on which the Kimber-E-Lee sailed onto the Kimberley stage. The theme of Class Day centered around a Southern wharf during Civil War days. Juniors, some with blackened faces, some wearing evening gowns, and others in dignified suits and top hats went through the usual routine of reciting poems to the seniors and faculty and singing songs amidst great excitement. As the end drew near, the seniors sang (or sobbed?) their farewell song to the school as they "sailed" off the stage on the boat on which the juniors had "sailed" on.

Following the junior skit on Class Day, everyone was requested to go outside and witness the traditional planting of the ivy by the senior class. They do this as a "remembrance, as those before have done," and the ivy grows on year after year, a symbol of the loyalty of the girls who have graduated.

COMMENCEMENT

As the strains of "Pomp and Circumstance" were heard on the organ, the entire audience in the First Congregational Church last June 8th turned to view the Kimberley seniors walking slowly down the aisle at their commencement. Lovely white dresses, red roses, precious diplomas, the meaningful words of "Dear Lord and Father of Mankind" and "God of Our Fathers", congratulations, smiles, tears, and the beloved lyrics of the "Alma Mater" ended the year for the senior class of 1954.

ALMA MATER

Hail! Alma Mater,

Hail to thy name.

Dear school we love so well

Ne'er shall we shame thy standards.

Truth, love, and honor with

Us e'er shall be—

Through all our future years,

O Mater Kimberley.

All sing to Kimberley,

Praise ye her name.

We girls who love her well

Sing to her fame forever.

Though we at times may be

Far, far away—

Sing we still our loyal praise

To the fair Kimberley.

One and all we Sophomores cheer for the job you've done so well,
Fall Frolic you excelled in with your bull and matador,
White as babies you were perfect, bonnets and your yells,
Each day your cry was clear of "Sophomores leave, and Seniors sit,"
And out we piled, all thirty five and scattered for a while,
Lunchtime Monday found you sundry, roaring out to eat,
We watched your wistful kind of dismal-trailing smoke from cars,
And realized that for two more years, from bags would be
our treat,
Your high school days are over, but your memory's hardly
through,
For Kimberley's indebted for the standards that you've set,
And Sophomores want to tell you just how much we think
of you,
For as one class in a million, will we miss you all?
you bet!!

Dear Tookie,

Just tell me what do I say to
a "baird" like you?? Got any sugg-
estions - oh well here goes nothing.
I don't know weather you know it or
not but you've really made me feel as
if I belong at old K.S. You've been a
wonderful friend and I won't ever forget
it. I was so darn glad when I got your
poem for class day but I'm afraid even
my feeble attempt didn't measure up to the
person it was written for. Thank you so
much for your hair I can use it this summer
going to "try" to let it grow again and I do
mean it. Please let's get together what is it
and lots and lots I don't know what is it
a fish for an invite I don't know what is it
Hint! Hint! Really tho best of luck in college.
and I hope you make that grand little of Duchesne
one day. I've got writers cramp like mad so I'll
just say I
love ya heaps, loads, and lots.
Tackie '55"
